

BOSE INSTITUTE : CENTENARY CELEBRATION
1917-2017

CENTENARY PROGRAMME
2016-2017

BOSE INSTITUTE
KOLKATA

CENTENARY PROGRAMME CALENDAR
2016-2017

BOSE INSTITUTE

YEAR	DATE	CONFERENCE / CONTACT
2016	Apr25-May 7	NESST-BASE Programme, Darjeeling Campus, Bose Institute. Contact : Prof. Sanjay Ghosh
	Oct 17	One day symposium on " <i>The World of Microbes- Pathogenesis, Environment and Evolution.</i> " Contact : Prof. Sujay Dasgupta
	Nov 1-15	Hands on Training on " <i>Diagnostics of Medicinal Potential and DNA Fingerprinting in Plants.</i> " Contact : Prof. Swati Sen Mandi
	Nov 22-24	Students' Training programme at Madhyamgram Experimental Farm. Contact : Dr. Gaurav Gangopadhyay
	Nov 30	Exhibition on Rural Biotechnology Programme. Contact : Prof. Samir Sikdar
	Nov 30	Foundation Day Celebration. Contact : Prof. Dipankar Home
	Dec 17	Motivational Talk " <i>One Team One Dream</i> " at Falta for Administrative & Technical Staff. Contact : Prof. Subrata Majumdar
	2017	Jan 8-10
Feb 8-10		International Conference on " <i>Insight to Plant Biology in the Modern Era.</i> " Contact : Prof. Samir Sikdar
Feb 15-17		National Conference on " <i>Advanced Detectors for Nuclear, High Energy and Astroparticle Physics.</i> " Contact : Dr. Saikat Biswas
Feb 17-19		Symposium on " <i>Future Direction of Rural Biotechnology Programme in West Bengal.</i> " Contact : Prof. Samir Sikdar
Feb 28		National Science Day and the Contribution of Bose Institute. Contact : Prof. Subrata Majumdar

CENTENARY PROGRAMME CALENDAR
2016-2017

BOSE INSTITUTE

YEAR	DATE	CONFERENCE / CONTACT
	April 25-27	International Conference on " <i>Aerosol- Climate change Connections (AC3) over the Himalayas</i> " at Darjeeling Campus. Contact : Dr. Abhijit Chatterjee
	May	NESST-BASE Programme, Darjeeling Campus, Bose Institute. Contact : Prof. Sanjay Ghosh
	June 21	Programme for Management and Motivation and World Yoga Day. Contact : Prof. Subrata Majumdar
	Oct 27-29	International Conference on " <i>Microbiology in the Post Genomics Era.</i> " Contact : Prof. Sujay Dasgupta
	Oct 31-Nov 3	National Conference on " <i>Recent Trends in Condensed Matter Physics.</i> " Contact : Prof. T. P. Sinha
	Nov 1-15	Hands on Training on " <i>Diagnostics of Medicinal Potential and DNA Fingerprinting in Plants.</i> " Contact : Prof. Debabrata Basu
	Nov 9-11	The 23rd INPEC Meeting on " <i>Protein Structure, Function and Engineering.</i> " Contact : Prof. Pinakpani Chakrabarti
	Nov 24-29	From Legacy to Future Vision.# Contact : Prof. Dipankar Home
	Nov 30	Foundation Day Celebration and Completion of Centenary year. Contact : Prof. Dipankar Home
	Dec 5-7 (Tentative)	International Symposium on " <i>Emerging Trends in Systems, Synthetic and Chemical Biology.</i> " Contact : Dr. Suman Banik
	Dec 11-13	Students' Training programme at Madhyamgram Experimental Farm. Contact : Dr. Gaurav Gangopadhyay
	Dec 27-29	Symposium on " <i>Rural Biotechnology Programme and Economic Development of Scheduled Tribe People: Present Status and Future</i> " at Falta Experimental Farm. Contact: Prof. Samir Sikdar

The program will consist of three modules :

- i) Nov 24-25 : Contribution of Bose Institute and Indian Science
- ii) Nov 26-27 : Current Research at Bose Institute covering Physical and Biological Sciences
- iii) Nov 28-29 : Future Vision

Centenary lectures throughout the year to be given by Eminent Personalities including Nobel Laureates.
