ADVT. No. S/FAIR/05/2024-25 Dated 19/06/2024

Bose Institute, Kolkata, invites application from Indian Citizens for the following temporary positions to work in FAIR Project at **Bose Institute**. This project has been formed to implement the project entitled “**India’s participation in the construction of Facility for Antiproton and Ion Research (FAIR) at Darmstadt, Germany**”.

India is a founder-member country to participate in the construction of the Facility for Antiproton and Ion Research(FAIR) at Darmstadt, Germany. The FAIR project is being managed by the FAIR Company(FAIR GmbH). Bose Institute, Kolkata, an autonomous R&D institute under the Department of Science and Technology, Govt. of India, has been designated as the Indian shareholder in the FAIR Company and the nodal Indian Institution for the management of FAIR programme from India.

The positions are purely temporary on contractual basis. Initially the appointment will be given for one year, which is extendable based on review of performance every year and availability of funding in the project. **The project is tenable upto 31.03.2026 and all the positions, if renewed, are co-terminus with the project.**

1. Project Scientist-I, Two (02) posts:

Essential Qualification : Ph.D. degree in Nuclear/ High-Energy Physics or Masters degree in Engineering or Technology from a recognized University or equivalent.

Desirable Qualification : Candidates should have **two** years experience in any one or more of the following areas:-

- Instrumentation (both mechanical and electronics) for high energy physics / nuclear physics detectors.
- Development of automated data acquisition hardware and software for high energy physics /nuclear physics detectors.
- Procurement of high-end instruments in the area of high energy physics / nuclear physics
- Knowledge of Simulation of High energy collision event.
- Outreach programs related to mega science facilities in the area of high energy physics / nuclear physics

Candidates should also bring original mark-sheets, certificates etc. at the time of Interview. No TA/DA is admissible for appearing at the interview.

Instruction to Candidates

1. The applications will be screened and a list of shortlisted candidates called for interview will be put up on the Institute Website.
2. If a candidate is not found eligible, his/her candidature will be cancelled at any stage. It may also be noted that even if a candidate qualifies and subsequently it is found that he/she does not fulfil the eligibility criteria, his/her candidature will be cancelled.
3. The prescribed essential qualifications are the minimum and mere possession of the same does not entitle a candidate to be called for interview. In the event of number of applications being large the Institute will resort to short listing criteria to restrict the number of candidates to be called for interview.
4. The interested and eligible candidates may keep watch at this site for any amendment/ information.
5. All short-listed candidates will be intimated the date of written test / interview in the website of the Institute and they are advised to follow the website regularly. No individual letter to the candidates will be sent.
6. Canvassing or bringing influence in any form will disqualify the candidature.
7. The Institute Authority reserves the rights to reject any or all applications without assigning any reason whatsoever.
