**Prof. Ashutosh Ghosh**

Vice Chancellor, University of Calcutta

## Isolation of Radium and Polonium From Pitchblende: A Fascinating Example of Interdisciplinary Research

Prof. Ashutosh Ghosh is a distinguished chemist and academic leader, currently serving as Vice Chancellor at Calcutta University. His extensive educational background includes a Ph.D. from IACS and several prestigious international fellowships in Japan, Germany, and USA. A specialist in coordination chemistry, he has published over 300 papers. A Fellow of the Royal Society of Chemistry, his contributions are recognized by awards like the CRSI Bronze Medal and the Piyadaranjan Ray Memorial Award.
