D.B. Hospital and Research Institute, Haridwar

Ex-Head, Dept. of Medical Microbiology

PGIMER Chandigarh

Fungal Keratitis

Prof. Arunaloke Chakrabarti, MD, transformed the Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh, into an apex reference centre for fungal diseases during his tenure at PGIMER. He is the Coordinator of the WHO Antifungal Resistance Surveillance Network and a member of both the WHO Antifungal Expert Group on Identifying Research and Development Priorities and the WHO Strategic and Technical Advisory Group for antimicrobial resistance. He is also the president of the International Society for Human and Animal Mycology, and has mentored the establishment and strengthening of many mycology laboratories across southeast Asia.
