

Bose Institute

ADVERTISEMENT FOR SHORT TERM TRAINING MAY TO JULY 2023

Advt. No. : BI/ST/12/2022-23

Bose Institute will offer short term training for outstanding students in Physical Sciences, Chemical Sciences and Biological Sciences from various Institutes/Universities during the months of **May to July 2023** (for a period of **6-12 weeks**). The training will be conducted by faculty members of the Institute who would select students based on their own academic interest and those of the students. Students are encouraged to interact with faculty members about available research programs prior to filling up the form.

Students who are pursuing master degree (MSc, MTech, Integrated Masters etc.) may apply. Exceptional students (INSPIRE, JBNSTS, KVPY, NTSE etc. awardees) at the Bachelor degree level in their final year may also apply. Minimum eligibility criteria for consideration of the requests are at least **75%** of aggregate scores (or an equivalent grade) in all major school level examinations (Secondary school examination and Higher secondary examination (10 +2)) and first division mark (**60%** in aggregate or equivalent grade) in Bachelors program. Applications must include a recommendation/forwarding letter from the Head of the Department/Institution or Registrar/Dean of the University/Institute/College of the candidate in the prescribed format given below. Candidates should apply **online** ([click here](#)) and attach a scanned copy of the recommendation/forwarding letter. Original certificates, mark sheets, recommendation letter and identity proof should be presented at the time of joining the training program. Outstation candidates should arrange for their own accommodation in Kolkata.

Around **thirty-five students** may be accepted for short term training.
